Paver Personalization

Instructions: *Please print clearly in dark ink using one letter/symbol/space per box. Write your inscription the way you want it to appear on the brick in the following boxes. Your text will be centered on the brick in uppercase letters.* ***There is a 15-character limit for each line. Character limits include letters, symbols and spaces. Use only letters or symbols that appear on a standard keyboard.***

If you would like to purchase an additional paver, copy this form or include an additional form with your order. Please attach additional inscriptions to order form.
